### MYSTICAL MOSAICS

Designer Susanna Valerio drew inspiration from the Middle East for her second collection of meticulously handcrafted home accessories. Titled One Thousand and One Nights, the collection is set in neutral tones, and the pieces are made from stone that has been individually hand-carved and polished to perfection. The highlight is the stunning mosaic Duban table, which is sure to be a conversation piece in any dining room. | 設計師Susanna Valerio的第二個家居系列靈感源自中東，打造出精雕細琢的手製家飾品One Thousand and One Nights系列。產品綴以中性色調，以石材製成，以人手個別雕琢並打磨至完美狀態。重點為這張美麗的Duban馬賽克桌，定能成為飯廳焦點。
