GET THE LOOK

THE HOME EXUDES WARMTH, MOSTLY DUE TO THE PERSONAL TOUCHES PEPPERED AROUND THE SPACE

WRITTEN WORD

Those smitten by Ylva Skarp's calligraphy work can purchase pieces from her online shop. (ylvaskarp.se)

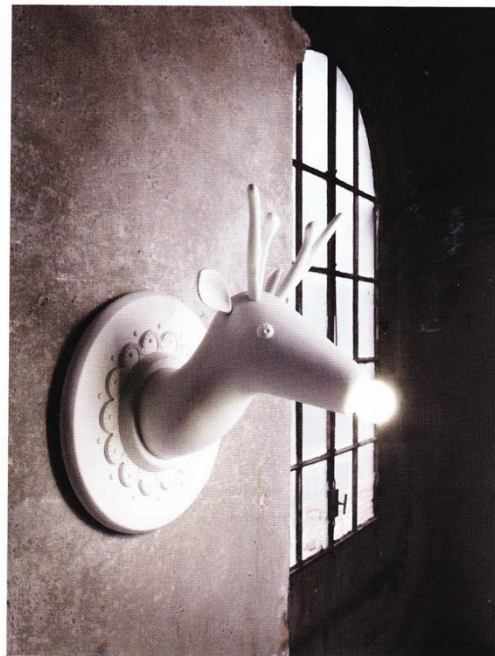

NEUTRAL SHADE

Add character to a soft palette with a plethora of patterns as seen in SV Casa's Durban table, which is hand-sculpted from stone. Available at Lane Crawford

COSY TREASURE

Add texture and warmth through cowhides or a touch of fur. Faux fur throw from Zara Home (zarahome.com)

WILD AT HEART

Nature-inspired decor with a quirky twist - like this Marnin wall lamp - works well in country homes. (karmanitalia.it)
